

August 7, 2020

Hello Carnival CDC Families,

We hope this message finds you well and in great health. We wanted to inform our parents that Carnival will be able to assist our school age children with their virtual learning. We know this pandemic has caused a strain in our parent's everyday routine, so we want to be able to help by assisting our school age children with their work.

We want to be clear that we aren't responsible for grades. During school hours, our goal is to help every child stay on task with what their teacher expects them to do during school hours. We will also provide breakfast, lunch, and snack while they're in our care.

For our private pay families, our summer time rate of \$120/weekly will be extended until the kids go back to school. For our publicly funded families you will continue to clock in/out on the tablet.

If you any questions or concerns regarding this matter please feel free to reach out to us at 440-683-4226

Stay Strong & Be Blessed,  
Carnival CDC Management
