

Child Development Center

March 25, 2020

Hello Carnival CDC Parents, we hope this letter finds you well and in good health. I'm sure many of you are aware that Governor Mike Dewine has **CLOSED** all child care facilities until **April 30th, 2020** with the exception of **Temporary Licensed Pandemic Facilities**. Workers who are health, safety, and essential are the **only** parents eligible to register in a Pandemic Center! More information about who's considered an essential worker and about pandemic centers can be found here:

The Governor stated that he will re-assess the number of cases after the mandatory lockdown which ends on April 6th, 2020. If we're able to open earlier we'll let everyone know. But for now, May 1st is our projected day for opening back up for business.

In the midst of these unprecedented times, please make sure you check on your friends and family to make sure everyone is ok. We know that times maybe difficult but "THIS TOO, SHALL PASS!"

We will not be in the office during the lockdown but if anyone needs assistants with ANYTHING please feel free to send us a Direct Message on "The Band App" or on Facebook and Instagram.

Stay Well & Be Blessed,
Carnival CDC Management
