

March 20, 2020

Hello Carnival CDC Parents, we hope this letter finds you well and in good health. We just want to let you know that Carnival Child Development Center is **temporarily closing today, March 20, 2020 due to the Coronavirus Epidemic.**

As Stated before, we put together a list of babysitters that's willing to be sitters in this time of need. Please keep in mind that babysitters are not affiliated with Carnival Child Development Center outside of our physical location. Payment arrangements and baby-sitting locations needs to be discussed between the parent/guardian and your selected sitter! A list of sitter's names and contact information is listed below.

There's no specific date on when all of this will blow over, but as soon as we get the green light to open our doors again, we will notify everyone.

Thanks,
Carnival CDC Management
